**PART II
TEACHING PLAN**

Introduction

ATTENTION: Today, we are going to have a formal inspection.

MOTIVATION: You are ready to perform some "drill squadron" duties, which includes formal inspection.

OVERVIEW: The inspection is to determine if the lessons taught previously were effective and provides me a means of properly inspecting you as individuals in formation.

TRANSITION: FALL IN!

Body

(NOTE: This inspection should be conducted by the support unit commander or group commander. If not available, any qualified officer may do the inspection.)

MP 1 The squadron will be formed by the designated first sergeant as previously instructed and practiced. Reports will be taken and flight sergeants and flight commanders will be posted. The first sergeant will report to the cadet commander and take his post.

MP 2 The commander will command, "**PREPARE FOR INSPECTION.**" Flight commanders will cause their flight to open ranks and they will check the alignment of their respective flights: take their positions for inspection. The inspection will take place as prescribed in AFM 36-2203.

Conclusion

SUMMARY: The commander will summarize the results of the inspection with the cadets.

REMOTIVATION: The commander will give praise where praise is due and constructive criticism where required.

CLOSURE: FALL OUT!
