## **SECTION 12 RESOLUTIONS**

12.1 All proposed resolutions at the National Board or National Executive Committee meetings may be referred to the National Legal Officer for recommendations and proper phrasing prior to adoption.

**SECTION 13**  
**VOTING AT BOARD OF GOVERNORS, NATIONAL BOARD,**  
**AND NATIONAL EXECUTIVE COMMITTEE MEETINGS**

13.1. Members of the Board of Governors may not vote by proxy. No Member may exercise more than one vote on any issue. The vote on any issue shall be by secret ballot if requested by a Member entitled to vote thereon. If a quorum is present when a vote is taken, the affirmative vote of a majority of Members present is the act of the Board of Governors.

13.2 Voting at the National Board or National Executive Committee meetings shall be in person or by proxy. An officer eligible to vote at such meetings may appoint, in writing, a representative to serve as proxy. Any proxy authorization must be submitted to the National Commander prior to the opening of such meeting. No person may exercise more than one vote on any issue. The vote on any issue shall be by secret ballot if requested by a member entitled to vote thereon.

13.3 A majority of the votes on any issue shall constitute a decisive vote. An abstention does not constitute a vote.

13.4 Voting for the National Commander and the National Vice Commander will be conducted in that order by written, secret ballot. When there are more than two nominees, the nominee receiving the lowest number of votes shall be dropped from the next ballot until there are only two nominees. Whenever any nominee receives a majority of the votes, that nominee is elected.

13.5 Mail ballots or electronic means may be used for routine business of the National Executive Committee and National Board, and ballots used for this purpose shall be signed or authenticated by the officer entitled to vote. Balloting may be secret if requested by a member entitled to vote.

**SECTION 14**  
**MEETINGS OF THE BOARD OF GOVERNORS, NATIONAL BOARD AND**  
**NATIONAL EXECUTIVE COMMITTEE**

14.1 The Board of Governors shall meet at least twice annually, at such place as the Chairman may determine to consider any business properly brought before it. Such regular meetings shall be scheduled to generally follow the meetings of the National Executive Committee.

14.2 Special meetings of the Board of Governors may be called by the Chairman of the Board of Governors for such times and at such places as the Chairman may determine or, upon written request to the Chairman by a majority of the Members of the Board of Governors.

14.3 Any or all Members may participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Members participating may simultaneously hear each other during the meeting. A Member of the Board of Governors participating in a meeting by this means, except to protest on the record notice of such meeting, is deemed to be present in person at the meeting.

14.4 Regular meetings of the Board of Governors may be held with twenty (20) calendar days notice. Special meetings of the Board of Governors must be preceded by at least ten (10) calendar days notice to each Member of the Board of Governors of the date, time, and place, and purpose, of the meeting. Other business not included in the notice shall not be transacted at a special meeting. A Member may at any time waive any notice required by this section. The waiver must be in writing, signed by the Member entitled to the notice, and shall be filed with the minutes or the corporate records. A Member's attendance at or participation in a meeting waives any required notice of the meeting unless the Member upon arriving at the meeting or prior to the vote on a matter not noticed objects to lack of notice and does not thereafter vote for or assent to the objected action.

14.5 Minutes of all meetings of the Board of Governors shall be signed by the Chairman, attested by the Executive Secretary, and distributed to the Members of the Board of Governors within thirty (30) days of attestation. Minutes of a meeting shall be approved by the Board of Governors at its next scheduled meeting and permanently kept at National Headquarters.

14.6 Any action required or permitted to be taken at a Board of Governors meeting may be taken without a meeting if the action is taken by all Members of the Board of Governors. The action shall be evidenced by one or more written consents describing the action taken, signed by each Member, and shall be included in the minutes filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last Member signs the consent, unless the consent specifies a different effective date. A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

14.7 There shall be no less than two meetings of the National Board each calendar year. One meeting shall occur in the first calendar quarter and shall constitute the business meeting of the National Board. The second meeting shall occur in the third calendar quarter and shall constitute the general membership meeting. A special meeting may be called by the National Commander at the conclusion of the general membership meeting as needed to confirm appointments of national officers and at such other times as the National Commander deems necessary. In addition to the exercise of its exclusive powers, the National Board may consider any other business properly brought before it.

14.8 The National Executive Committee shall meet at least twice annually and, except as otherwise directed or limited by the National Board, may consider any business properly brought before it.

14.9 Meetings of the National Board or the National Executive Committee may be called by the National Commander for such times and at such places as the National Commander may determine or, upon written request to the National Commander, by a majority of the authorized positions of the National Board or the National Executive Committee.

14.11 Minutes of all meetings of the National Board and the National Executive Committee shall be signed by the presiding officer, normally the National Commander, attested by the Secretary, distributed to the National Board within 30 days of attestation and permanently kept at National Headquarters.

14.12 Written notice is considered received on the date delivered personally or deposited in the United States mail addressed to the recipient's home or business address of record, with postage thereon prepaid. Written notice is also considered received when a written confirmation of telefax is generated by the

transmitting telefax machine indicating the home or business telefax number of record of the recipient or a confirmation of opening of an electronic mail message is received from the recipient's electronic mail address of record.

15.3 Special meetings may be called by the Chairman of the National Finance Committee.

15.4 The National Finance Committee shall be responsible for advising the National Finance Officer in the financial planning and supervision of all the funds and investments of Civil Air Patrol and shall exercise supervisory accounting control over all funds of any unit of Civil Air Patrol.

17A.2 Sections 13, 14, and 22, which govern meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the Board of Governors, apply to committees of the Board of Governors and their members as well, except that a quorum shall be a majority of the members of the committee.

22.1 Seven Members shall constitute a quorum at any regular or special meeting of the Board of Governors. The vote of a majority of the Board of Governors present at a time at which a quorum is present and entitled to vote on the issue shall be required for the adoption for any matter voted on by the Governors, except as specifically provided by these bylaws and except that in an absence of a quorum a lesser number may adjourn the meeting from time to time.

22.2 A majority of the authorized positions of the National Board or the National Executive Committee shall constitute a quorum of that body.

This shall be known as the *Annual Report to Congress* required by 36 USC 40307. Copies shall be provided to the President, all members of Congress, and such other persons as deemed appropriate.

**SECTION 25**  
**GENERAL STANDARDS OF CONDUCT FOR MEMBERS OF BOARD OF GOVERNORS**

25.1 A Member of the Board of Governors shall discharge his or her duties as a Member of the Board of Governors, including his or her duties as a member of a committee:

- a. in good faith;
- b. with the care an ordinarily prudent person in a like position would exercise under similar circumstances; and
- c. in a manner the Member of the Board of Governors reasonably believes to be in the best interests of the corporation.

25.2 In discharging his or her duties, a Member of the Board of Governors is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

- a. one or more officers or employees of the corporation whom the Member of the Board of Governors reasonably believes to be reliable and competent in the matters presented;
- b. legal counsel, public accountants or other persons as to matters the Member of the Board of Governors reasonably believes are within the person's professional or expert competence; or
- c. a committee of the Board of Governors or a committee of the National Board of which the Member of the Board of Governors is not a member, as to matters within its jurisdiction, if the Member of the Board of Governors reasonably believes the committee merits confidence.

25.3 A Member of the Board of Governors is not acting in good faith if the Member of the Board of Governors has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection 25.2 unwarranted.

25.4 A Member of the Board of Governors is not liable to the corporation, or any employee or member of Civil Air Patrol for any action taken or not taken as a Member of the Board of Governors, if the Member of the Board of Governors acted in compliance with this section.

25.5 A Member of the Board of Governors shall not be deemed to be a trustee with respect to the corporation or with respect to any property held or administered by the corporation, including without limit, property that may be subject to restrictions imposed by the donor or transferor of such property.

## **SECTION 26 MEMBER OF THE BOARD OF GOVERNORS CONFLICT OF INTEREST**

26.1 A conflict of interest transaction is a transaction with the corporation in which a Member of the Board of Governors has a direct or indirect interest. A conflict of interest transaction is not voidable or the basis for imposing liability on the Member of the Board of Governors if the transaction was fair at the time it was entered into or is approved. A transaction in which a Member of the Board of Governors has a conflict of interest may be approved if the material facts of the transaction and the Member of the Board of Governors' interest were disclosed and the Board of Governors authorized, approved, or ratified the transaction.

26.2 For purposes of this section, a Member of the Board of Governors of the corporation has an indirect interest in a transaction if (1) another entity in which the Member of the Board of Governors has a material interest or in which the Member of the Board of Governors is a general partner is a party to the transaction or (2) another entity of which the Member of the Board of Governors is a director, officer, or trustee is a party to the transaction.

26.3 For purposes of section 26.1 a conflict of interest transaction is authorized, approved, or ratified, if it receives the affirmative vote of a majority of the Members on the Board of Governors who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified under this section by a single Member of the Board of Governors. If a majority of the Members on the Board of Governors who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this section. The presence of, or a vote cast by, a Member of the Board of Governors with a direct or indirect interest in the transaction does not affect the validity of any action taken if the transaction is otherwise approved as provided in subsection 26.1.

## **SECTION 27 INDEMNIFICATION OF MEMBERS OF THE BOARD OF GOVERNORS**

27.1 For purposes of this section:

a. "Member of the Board of Governors" means an individual who is or was a Member of the Board of Governors, or an individual who, while a Member of the Board of Governors, is or was serving at the corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A Member of the Board of Governors is considered to be serving an employee benefit plan at the corporation's request if the Member of the Board of Governors' duties to the corporation also impose duties on, or otherwise involve services by, the Member of the Board of Governors to the plan or to participants in or beneficiaries of the plan. "Member of the Board of Governors" includes, unless the context requires otherwise, the estate or personal representative of a Member of the Board of Governors.

b. "Expenses" include counsel fees.

c. "Liability" means the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan), or reasonable expenses actually incurred with respect to a proceeding.

d. "Party" includes an individual who was, is or is threatened to be made a named defendant or respondent in a proceeding.

e. "Proceeding" means any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative, or investigative and whether formal or informal.

27.2 Except as provided in subsection 27.4, Civil Air Patrol may indemnify an individual made a party to a proceeding because the individual is or was a Member of the Board of Governors against liability incurred in the proceeding if the individual:

a. conducted himself or herself in good faith; and

b. reasonably believed:

(1) in the case of conduct in his or her official capacity with the corporation, that his or her conduct was in its best interests; and

(2) in all other cases, that his or her conduct was at least not opposed to its best interests; and

c. in the case of any criminal proceeding had no reasonable cause to believe his or her conduct was unlawful.

A Member of the Board of Governors' conduct with respect to an employee benefit plan for a purpose the Member of the Board of Governors reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirements of subsection 27.2.b.2.

27.3 The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent is not, of itself, determinative that the Member of the Board of Governors did not meet the standard of conduct described in this section.

27.4 Civil Air Patrol may not indemnify a Member of the Board of Governors under this section:

a. in connection with a proceeding by or in the right of the corporation in which the Member of the Board of Governors was adjudged liable to the corporation; or

b. in connection with any other proceeding charging improper personal benefit to the Member of the Board of Governors, whether or not involving action in his or her official capacity, in which the Member of the Board of Governors was adjudged liable on the basis that personal benefit was improperly received by the Member of the Board of Governors, or in connection with a transaction in which the Member of the Board of Governors failed to disclose a conflict of interest.

27.5 Defense and/or indemnification permitted under this section in connection with a proceeding by or in the right of the corporation are limited to reasonable expenses incurred in connection with the proceeding.

27.6 Civil Air Patrol shall indemnify a Member of the Board of Governors who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or

she is or was a Member of the Board of Governors against reasonable expenses actually incurred by the Member of the Board of Governors in connection with the proceeding.

27.7 Civil Air Patrol may pay for or reimburse the reasonable expenses incurred by a Member of the Board of Governors who is a party to a proceeding in advance of final disposition of the proceeding if:

a. the Member of the Board of Governors furnishes the corporation a written affirmation of his or her good faith belief that he or she has met the standard of conduct described in section 27.3;

b. the Member of the Board of Governors furnishes the corporation a written undertaking, executed personally or on his or her behalf, to repay the advance if it is ultimately determined that the he or she did not meet the standard of conduct; and

c. a determination is made that the facts then known to those making the determination would not preclude indemnification under section 27.

d. The undertaking required by subsection 27.7.b. must be an unlimited general obligation of the Member of the Board of Governors but need not be secured and may be accepted without reference to financial ability to make repayment.

e. Determinations and authorizations of payments under this section shall be made in the manner specified in section 27.8.

27.8 Civil Air Patrol may not indemnify a Member of the Board of Governors unless authorized in the specific case after a determination has been made that indemnification of the Member of the Board of Governors is permissible in the circumstances because the Member of the Board of Governors has met the standard of conduct set forth in section 27.2.

a. The determination shall be made:

1. by the Board of Governors by majority vote of a quorum consisting of Members of the Board of Governors not at the time parties to the proceeding;

2. if a quorum cannot be obtained under 27.8.a.1, by majority vote of a committee duly designated by the Board of Governors (in which designation Members of the Board of Governors who are parties may participate), consisting solely of two or more Members of the Board of Governors not at the time parties to the proceeding;

3. by special legal counsel:

i. selected by the Board of Governors or its committee in the manner prescribed in section 27.8.a.1 or 2; or

ii. if a quorum of the Board of Governors cannot be obtained under section 27.8.a.1 and a committee cannot be designated under section 27.8.a.2, selected by majority vote of the full Board of Governors (in which selection Members of the Board of Governors who are parties may participate)

b. Authorization of indemnification and evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses shall be made by those entitled under subsection 27.8.a.3 to select counsel.

- Section 10.3.f. has been delinquent. It appeared in the Bylaws as early as 17 August 00, existed in the 5 March 01 edition, but somehow dropped out circa December 01. The notations above ("[Research in progress to identify interim changes, if any. GC 12/18/06.]" and "[None found. It has been utilized at the Board of Governors meetings of 07 December 05, 07June 06 and October 07.
