**PART I
COVER SHEET**

CAP 2 SEMESTER 1 WEEK 11

COURSE: Wright Brothers Aerospace Education, Achievement 3

LESSON TITLE: Module 2 Quiz

LENGTH OF LESSON: 50 Minutes

METHOD: Performance

REFERENCE(S): *Aerospace Dimensions*, Module 2, 2000

AUDIO/VISUAL AIDS/HANDOUTS/ACTIVITY MATERIAL(S): None

COGNITIVE OBJECTIVE: N/A

COGNITIVE SAMPLES OF BEHAVIOR: N/A

AFFECTIVE OBJECTIVE: The objective is to reinforce the lessons by each cadet quizzing each other using the questions found in the Study Guide.

AFFECTIVE SAMPLES OF BEHAVIOR: Each cadet will willingly participate in the quiz of each other to reinforce the lessons of Module 2.

Middle School Initiative

PART II TEACHING PLAN

Introduction

ATTENTION: Do you think you can answer the questions found in your Study Guide for Module 2?

MOTIVATION: Each cadet will take turns asking a question found in the Study Guide. The question will be directed to one other cadet.

OVERVIEW: This quiz will reinforce the lessons that have been studied in Module 2.

Body

NOTE: The instructor should allow each cadet to ask one question to one other cadet until all questions have been used. Use the questions found in the Study Guide, Pages 13-16. The correct answers are found in the Study Guide, Pages 34-36. Once all the questions have been used, the cadet that missed the fewest questions will be the Module 2 Champion.

Conclusion

SUMMARY: We have used the questions in the Study Guide to reinforce the lessons of Module 2.

REMOTIVATION: Using the quiz method reinforces the AE lessons. Being the Module 2 Champion gives the cadet something to aim toward and encourages them to study.

CLOSURE: Next week, we will have this year's first AE achievement test. **Any questions? See you next week!**
