**PART II
TEACHING PLAN**

Introduction

ATTENTION: Today, we are going to continue with the drill by a flight commander. We are going to have four cadets, in turn, drill the entire flight for approximately six (6) minutes each.

MOTIVATION: Do you, as an individual, believe that you are sufficiently knowledgeable to perform the position as drill instructor?

OVERVIEW: Drill by different cadet leaders will allow everyone to learn how to listen to the different command voices and adjust accordingly.

TRANSITION: FALL IN!

Body

NOTE: The instructor will have the selected four cadets drill the entire flight for six (6) minutes each. Select the cadet squadron staff for next week's squadron drill as previously done.

Conclusion

SUMMARY: During the period, you have been drilled by various cadet drill leaders using all of the previous learned movements.

REMOTIVATION: The more you use different drill leaders, the more the cadets will become familiar with the different styles of giving commands.

CLOSURE: FALL OUT!
