PART II TEACHING PLAN

Introduction

ATTENTION: Today, you will review one chapter in *AEROSPACE: The Journey of Flight* and expand upon the aerospace education material that you studied as you progressed through Phase I and II of the CAP program.

MOTIVATION: What you will learn in these lessons will continue to help you to understand future aerospace lessons and will enable you to be a better mentor.

OVERVIEW: During this period, we will study *AEROSPACE: The Journey of Flight*, Chapter 19. We will begin with a brief discussion of the lesson materials and then we will discuss the review questions.

TRANSITION: The instructor will review the material in *AEROSPACE: The Journey of Flight*, Chapters 19, beginning with an overview of the subject matter followed by a discussion of the review questions for each section. If the cadets have other questions relating to the material being discussed, encourage the cadets to ask questions at any time.

Body

NOTE: The instructor will use the review questions in the aerospace education material to aid in the discussion and review. Use other materials as needed to cover the required items.

Conclusion

SUMMARY: We have reviewed the material that expanded upon what you learned when you were in Phase I and II.

REMOTIVATION: It is important that you take advantage of these reviews so you will be better qualified to be an aerospace mentor and instructor.

CLOSURE: Next week, we will have our Phase III Aerospace Education Test. **Any questions?**
